Ministry in Myanmar. Pastor Enga sends a good report of having the opportunity to preach in both villages and in the city of MaingPhyat. The church members are growing in the Lord and some of them gather together every evening for Bible reading and singing hymns in the lower village.

Korat Baptist Church. Please be in prayer for Pastor Santisuk who is having severe back pain and is using a crutch to walk. He has strained muscles in his back. Pray for God's healing in his life.

Surin Baptist Church. This church has begun having village meetings during the week. In one village there were 32 people in attendance and another meeting had 70 people in attendance. From those meetings five people have attended the Sunday church services and eight people have been baptized.

They have also been holding special services in English with two people being saved. Pray that Erika and Roland would grow spiritually.

Udon Thani Baptist Bible Institute. There are now seven young men training on a regular basis with an additional five to six students coming from Laos on Fridays and Saturdays. Pray for these to grow in the Lord.

Thank you for your love and concern for this ministry. We love you and are praying for you.

Yours for Thailand,

Philip Pope
